## ABOUT ME

Hello, my name is Maksym, I'm 19 and I live in Ternopil, Ukraine. I am an ambitious web developer who wants to succeed in the IT industry. I am interested in the full development cycle from frontend to backend. I am currently actively seeking opportunities to develop my skills to learn from the best and raise my level in the industry.

---

## EDUCATION

Taras Shevchenko National University of Kyiv

2021

Faculty of Information Technologies

3rd year (budgeted form of education)

Specialty "Computer Science"

## HARD SKILLS

During my university studies, I gained many useful skills working on my own pet projects.

In my web apps, I used technologies such as:

### For Frontend:

- React
- Tailwind CSS
- Redux/Redux Toolkit
- JS/HTML/CSS

### For Backend:

- .ASP.NET core (Web API)
- .NET
- Entity framework
- SQL
- AutoMapper
- Odata

While I currently lack commercial experience, I am highly motivated to obtain it and actively seeking opportunities to do so.

---

## PORTFOLIO

My projects are here :  
<https://github.com/corsall>

## LANGUAGES

I have good knowledge of English language at the B2+ level , allowing for seamless communication with clients

## SOFT SKILLS

- Ability to communicate
- Flexibility/adaptability
- Willingness to learn/develop
