ABOUT ME

Hi there, I'm Maksym, a 19-year-old student from Ternopil, Ukraine. Currently, I'm pursuing my studies in Kiev. I am an software developer who wants to succeed in the IT industry. I have a keen interest in a wide range of activities, from game development to website creation. Right now , I am actively seeking opportunities to develop my skills, learn from the best, and elevate my level in the industry.

EDUCATION

Taras Shevchenko National University of Kyiv

2021

Faculty of Information Technologies

3nd year (budgeted form of education)

Specialty "Computer Science"

HARD SKILLS

Frontend:
- React
- Tailwind CSS
- Redux/Redux Toolkit
- JS/HTML/CSS

Data Science:
- Python
- Supervised Machine Learning Regression and Classification
- Experience in working with NLP models

Game development:
- Digital drawing
- Unity (Game development)

Backend:
- C#
- .ASP.NET core (Web API)
- .NET
- Entity framework
